**Warren Associates Awarded Broadcast Rep of The Year**

Orlando, FL—Warren Associates won the Broadcast Rep of the Year Award at the recent Middle Atlantic sales meeting prior to InfoComm 2011.

Warren Associates represents Middle Atlantic Products for the Broadcast market in Northern California, Northern Nevada and Hawaii.

Asked about the award, Middle Sales Director Whitt Adams stated, “Warren Associates collectively worked really hard to earn this reward. They kept focusing on our key customers and really understanding their needs while effectively communicating with the factory so we could provide the right solution for their specific installations. We are very proud to present Warren Associates with this prestigious award.”
