

CWP Series

controlled wall plate

universal control in a compact, single gang design that will work in most simple, powered loudspeaker applications

features:

- Compact, decora-style insert complete with metal wall plate to fit any standard single gang box
- LED indicates when the receptacle is active
- Dry contact closure input - no external voltage required for control
 - Not susceptible to voltage drops on control wire
- Neutrik PowerCON® receptacle that locks the power cable to the device and wall to mitigate the potential of accidentally unplugging (available in 16A rated model)
- Rear integrated contact closure to alleviate the need to run the control wire to the front of the wall plate
- Models available in NEMA 12A rated or with PowerCON® 16A rated receptacle

CWP-115

CWP-120-PCN

specifications:

Controlled wall plate shall be Middle Atlantic Products model # CWP-____ (115, 120-PCON). Overall dimensions shall be 1.74" W x ___D (1.75", 1.55", refer to drawing) x 2.6" H.
