L2 Series

budget-friendly lectern solution that delivers support and security for AV systems, complete with a patent-pending rack, power, thermal and cable management, and connectivity

features:

• Each L2 Lectern includes:
  • Patent Pending 12RU removable rack
  • Power distribution where it’s needed with surge protection inside the cabinet and a surface unit with 3 AC outlets and 2 USB outlets
  • Thermostatically controlled fan
  • 6' HDMI cable that supports 4k resolutions
  • Cable management including 5 total grommets and a pre-installed lacer bar
  • Sleek Sota style with a durable melamine finish for an attractive mobile solution to house and transport AV equipment
  • Simplified selection of easy-to-order, pre-configured models available in 3 popular colors
  • Flip up shelf for extra surface space on certain models
  • Slide out shelf houses a keyboard without taking up valuable workspace
  • Locking, heavy duty 4” casters for a safe, mobile solution
  • Ships from stock

options:

• Flip shelf shall be model # L2-FLIPSHELF-__ (refer to chart)
