L2 Series
lecterns

budget-friendly lectern solution that delivers support and security for AV systems, complete with a patent-pending rack, power, thermal and cable management, and connectivity

- Each L2 Lectern includes:
  - Patent Pending 12RU removable rack
  - Power distribution where it’s needed with surge protection inside the cabinet and a surface unit with 3 AC outlets and 2 USB outlets
  - Thermostatically controlled fan
  - 6’ HDMI cable that supports 4k resolutions
  - Cable management including 5 total grommets and a pre-installed lacer bar
  - Sleek Sota style with a durable melamine finish for an attractive mobile solution to house and transport AV equipment
  - Simplified selection of easy-to-order, pre-configured models available in 3 popular colors
  - Flip up shelf for extra surface space on certain models
  - Slide out shelf houses a keyboard without taking up valuable workspace
  - Locking, heavy duty 4” casters for a safe, mobile solution
  - Ships from stock
