

# DisplayStation Series monitor walls

DisplayStation Series Monitor Walls are a collection of display solutions that are application-engineered for easy integration. Every model ships with an installed power strip, saving time and money and features a convenient cable management system that simplifies wiring during installation and servicing. DisplayStation Monitor Walls are ideal for simple surveillance and monitoring systems.

## Features

- Every model ships with an integrated power strip
- Designed for professionally-finished installations with a convenient cable management system, display micro-adjustment mechanism and power strip that attaches to the support channel
- UL Listed to the highest standard for safety in multi-use environments, including public, educational and institutional spaces
- Competitively-priced
- Available with casters or levelers for mobile or fixed use
- Mounts displays up to 55" in 2x2 configuration
- Includes hex bits for faster assembly
- Attractive aluminum finish
