DLBX Series
DVR Lockbox

Features:

- Optimized to handle the active or passive thermal management needs of digital video recorders and other digital equipment
- Extensive cable management includes tie points, EKOs and cable pass-throughs
- Mounts vertically or horizontally to the wall, also can be used as a monitoring shelf
- Configurable thermal management system includes two fans, and can be set up to accommodate the needs of any DVR or NVR
- Optional proportional speed thermostatic fan control ensures fan only runs when needed, reducing maintenance requirements and noise
- Mechanically interlocking top provides added security yet removes easily for equipment servicing
- Standard keylocked solid hinging front door allows easy equipment access
- 100 lb. weight capacity
