DLBX Series DVR Lockbox

- Optimized to handle the active or passive thermal management needs of digital video recorders and other digital equipment
- Extensive cable management includes tie points, EKOs and cable pass-throughs
- Mounts vertically or horizontally to the wall, also can be used as a monitoring shelf
- Configurable thermal management system includes two fans, and can be set up to accommodate the needs of any DVR or NVR
- Optional proportional speed thermostatic fan control ensures fan only runs when needed, reducing maintenance requirements and noise
- Mechanically interlocking top provides added security yet removes easily for equipment servicing
- Standard keylocked solid hinging front door allows easy equipment access
- 100 lb. weight capacity

EIA compliant 19” DVR lockbox shall be Middle Atlantic Products model # DLBX. Overall dimensions shall be 23.87” W x 11.34” H x 28.24” D. Lockbox shall be constructed of fully welded 16-gauge steel. Mechanically interlocking top provides added security and removes easily for equipment servicing. Shall come with 2 - 4-1/2” fans, for effective thermal management. Rack shall have 1/2”, 3/4” 1” and 1-1/2” electrical knockouts and 2” x 4” laser knockouts for cable pass through on back, bottom, and sides. Comes equipped with factory installed keylocked vented hinging front door for easy equipment access. DLBX shall be GREENGUARD Gold Certified. DLBX shall be manufactured by an ISO 9001 and ISO 14001 registered company. Lockbox shall be warranted to be free from defects in material or workmanship under normal use and conditions for the lifetime of the lockbox. Fans shall be warranted to be free from defects in material or workmanship under normal use and conditions for a period of 3 years.
