HHCM Series
Hinged Horizontal Cable Manager

Hinged cover rackmount cable managers conceal patch cables while providing cable pass-through to equipment through the top, bottom and back of cable managers.

Features

• Dresses cables between relay racks and other enclosures
• Provides cable strain relief for more reliable connections
• Multiple cable pass-throughs - top, rear, bottom and sides
• Solid face conceals cables from view
• Hinged panel allows easy entry for and access to cable bundles
• Durable flat black powder coat finish
