

ISRK Series

under desk / mobile presentation rack

features Glide-Away™ front door and an ergonomic viewing angle

features:

- Rolls under standard height desks
- 15 degree slope provides an ergonomic viewing angle when used under-desk
- Scuff Resistant Glide-Away™ front door easily hides away, and requires minimal clearance in cramped environments
- 12 useable rackspaces front and rear
- Knockouts on face of rack accept Decora style low-voltage switches or devices
- Secure, locking front door
- Secure, full height locking rear door
- Available graphite finish work surface accommodates single LCD monitor mount
- Removable electrical knockout panels for ease of cable entry/exit
- 200 lb. weight capacity
- Durable granite gray textured powder coat finish
- Non-marring furniture grade casters
- UL Listed in the US and Canada
