L5 Series
lecterns

- Frame to Furniture™ design complements an integrator’s installation workflow
- Steel frame ships assembled and ready to integrate in the shop or on-site
- Open frame design includes built-in power and provisions for cable and thermal management
- Presenter’s Panel™ is designed with the cutouts specified, and ships with the frame (models with Turret only)
- Available in 3 widths
- Unique design allows panels to be replaced quickly and easily
- Panels available in Sota and Klasik styles
- Standard finishes available in Veneer, High Pressure Laminate and Thermolaminate materials
