**ViewPoint™ Monitoring Console System**

**with sit/stand capability**

- Bays adjust from 30.5" to 55.6" inches, with three position memory
- Multiple Sit/Stand bays can operate independently, or be joined together to operate as a larger system
- Bays can be integrated with fixed-position ViewPoint™ Monitoring System bays
- Standalone configurations also available
- Available with an 37" deep work surface
- A large variety of standard finishes available
- Most configurations ship in 3 weeks or less
- GREENGUARD IAQ certified
- Screens can be mounted using optional monitor arms

**features:**

ViewPoint™ Series monitoring console system with Sit/Stand capability shall be Middle Atlantic Products model # VC-LS__ . Overall dimensions of the console bays shall be ____W x 37"D with a worksurface height range of 30.5" to 55.6". Console system shall feature welded steel bays of Uni-Frame™ construction and extensible design that provides optimal structural integrity, and unrestricted cable management and access. Console system shall have exterior support foot placement that provides support and unimpeded chair/operator movement. Work surface shall have cantilevered support. Each 24" width bay shall accept rackrail or a slide-out CPU tray. Each 24" bay shall have a 250 lb. weight capacity. Each pair of electric lift legs shall have a weight capacity of 540 pounds. Shall include 2 horizontal, segregated raceways in each bay and wedge, configurable for upper or lower bay installation. Work surfaces shall have a controller with 3 position user definable memory. ViewPoint sit stand shall have a 37" deep work surface, available in a Wenge, Dark Cherry, Dark Pecan, Aged Cherry, Honey Maple, Light Walnut, Maple, Shark Gray, Pepperstone, Graystone or Darkstone RTF thermolaminate finish and constructed of 1-1/8" thick triple-refined MDF. Connecting wedges shall be available with 15° and 90° forward angles. Bays shall be finished in a fingerprint resistant black textured powder coat. ViewPoint shall have 3" and 4" cable pass-throughs trimmed with plastic bushings to create a smooth internal surface. ViewPoint shall include all tools needed for the assembly of the console. Grounding and bonding stud shall be 1/4-20 threaded, installed in base of the bay, 2 per bay. ViewPoint system shall meet ANSI-BIFMA, and VESA guidelines and requirements. ViewPoint shall be GREENGUARD Gold Certified. ViewPoint shall be manufactured by an ISO 9001 and ISO 14001 registered company. Steel components shall be warrantied to be free from defects in material or workmanship under normal use and conditions for the lifetime of the product. Thermolaminate components shall be warrantied to be free from defects in material or workmanship under normal use and conditions for a period of 7 years. ViewPoint electronic lift mechanism shall be warrantied for period of two years.

Customizable specification clips available at middleatlantic.com

**options:**

- **Monitor Mounts** – shall be available to accommodate 1, 2, 3, or 4 monitors. Shall mount to the rear of the worksurface.

- **Rackrail** – 10 space rackrail shall be available for horizontal equipment mounting in the front/rear of any 24" section of a 36", 48" or 72" bay and shall be part # VC-B24-RR10. Rackrail shall conform to EIA standards. Rackrail shall be constructed of 11-gauge steel. Shall be infinitely adjustable front-to-rear.
- **CPU Tray** – Slide-out CPU tray shall mount in any 24" console section, and shall configure to slide out of the front or rear. Slide-out CPU tray shall have useable dimensions of 19"W x 14.25"D, extend 13" and have a weight capacity of 75 lbs. Slide out CPU tray shall be part # VC-2419ST.
- **Rear fan door** – Rear fan door shall replace standard rear console door on any 24" wide bay. Rear fan door shall provide 100 CFM of air extraction, generate less than 27 dB, and be thermostatically switched. Part# shall be VC-2419ST.
- **Side Panels** – Side panels shall be constructed of 1" thick triple-refined MDF. Side panels shall consist of a left and right side and mount to any bay. Part# shall be VC-LS-SP219
- **File Cabinet** – File cabinet shall have 2 drawers. File cabinet dimensions shall be 18"D x 27"H. File cabinet shall sit underneath a peninsula, and have swivel casters for ease of movement. File cabinet shall be part # VC-FC-2.
- **Chair** – Fully adjustable, ergonomically designed professional use monitoring chair shall have a 15 year warranty, and shall be part # CHAIR-CF1-B.
