VLBX Series Time-Lapse Lockboxes provide security for time lapse video recorders

Features

- Fully welded 16-gauge steel
- Interlocking top for added security
- Standard 4-1/2" fan with washable filter
- Standard keylocked solid hinging front door

Architects’ and Engineers’ Specifications

EIA compliant 19" time-lapse lockbox shall be Middle Atlantic Products model # VLBX-__ (refer to chart). Overall dimensions shall be ___"W x ___" H x ___" D (refer to chart). Lockbox shall be constructed of fully welded 16-gauge steel. Mechanically interlocking top provides added security and removes easily for equipment servicing. Shall come with factory installed 4-1/2" fan with washable filter for effective thermal management and keylocked solid hinging front door for easy equipment access. VLBX shall be GREENGUARD Indoor Air Quality Certified for Children and Schools. VLBX shall be RoHS EU directive 2002/95/EC compliant. VLBX enclosure shall be manufactured by an ISO 9001 and ISO 14001 registered company. VLBX enclosure shall be warranted to be free from defects in material and workmanship under normal use and conditions for the lifetime of the product. Fan shall be warranted for three years.

OPTIONS

- Pair of wall mount brackets for VLBX shall be Middle Atlantic Products model # VLBX-WM (does not fit VLBX-5.5)
