
CHASSIS, 3 RU, 10"D

CH3 |

FEATURES & BENEFITS

With its aesthetically-balanced, screwless flush-mounted faceplate, our CH Chassis features a 16-gauge all-steel body finished in a black powder coat. Front and rear panels are made from aluminum for easy machining. The front faceplate additionally features a black brushed and anodized finish, while the rear faceplate is finished in a black powder coat.

PRODUCT
