
CHASSIS BRACKETS, 26"D, HEAVY DUTY

CSA-26-H |

FEATURES & BENEFITS

Chassis support brackets are a simple way to support heavy equipment within the rack and facilitates ventilation of high heat-generating equipment.

Compatible with the following racks when used with Z-rail or Z-rail adapter: MRK, VRK

Allows equipment to be placed into the rack without attaching the rack screws – ideal for fast swap outs

NOTE: These chassis support angles must be attached to the Z-Rail or to a Z-Rail adapter. These brackets are not compatible with standard L-shaped rackrail without certain hardware or rackrail adjustments.

- Simple, effective support for heavy equipment without using rack screws
- Note: Must be attached to Z-rail; not compatible with standard rackrail
- Note: Compatible with MRK, VRK, and WMRK racks only
- Sold in pairs
