FEATURES & BENEFITS

Why discontinue? Middle Atlantic strives to provide innovative, best-in-class solutions to meet the AV needs of all our customers, and through the lifecycle of every installation. As technology and business evolve, some products eventually reach their natural end-of-life; thereby necessitating the end of production and distribution.

Middle Atlantic's goal is to make this process as seamless as possible to our partners. If you have further questions, concerns or needs, please contact 973-839-1011.
