## PROXIMITY SERIES 22" X 14" IN-WALL BOX

PRX-WB-22X14. |

---

### FEATURES & BENEFITS

We recognize that there is a lot of crossover between the Middle Atlantic and Chief product lines, spanning a few categories. With this in mind, Middle Atlantic will begin to phase out these display mounts and AV storage solutions from now and into 2019. Middle Atlantic's goal is to make this process as seamless as possible to our partners. If you have further questions, concerns or needs, please contact 973-839-1011.

- Versatile size for the industry's only in-wall box that can mount within a 24" stud bay as well as a 16" stud bay
- Unmatched small device mounting flexibility built-in, with up to three patented Lever Lock™ plates
- Patented UMS pattern simplifies mounting of small devices
- Four levels of mounting planes to maximize space for storage of gear
- Includes tool-free Lever Lock™ accessories that enable quick installation and efficient servicing of the system
- Add any additional 17"H Lever Lock™ plates for greater mounting capability
- Designed to natively incorporate Middle Atlantic compact power solutions, including the industry's fastest-responding, non-degrading patented Series Protection™ and RackLink™ control
- Certified to UL 2416 for safe, reliable installs
- Adjustable trim ring included that hides dry wall cuts for an aesthetic finish
- Bridge lances offer convenient cable tie down points
- Knockouts in multiple locations on all four sides of the box for easy access to power and cable management where you need it
- Includes J-Box and duplex receptacle
- Compatible Proximity Series In-Wall Box Cover available to restrict visibility and access to equipment

---
