

DISPLAYSTATION SERIES, CART WITH CASTERS

DS-1000SC-AL. |

FEATURES & BENEFITS

We recognize that there is a lot of crossover between the Middle Atlantic and Chief product lines, spanning a few categories. With this in mind, Middle Atlantic will begin to phase out these display mounts and AV storage solutions this year. Middle Atlantic's goal is to make this process as seamless as possible to our partners. If you have further questions, concerns or needs, please contact 973-839-1011.

- Ships with an integrated power strip
- Designed for professionally-finished installations with a convenient cable management system and power strip incorporated into the support channel
- UL Listed to the highest standard for safety in multi-use environments including public, educational and institutional spaces
