PPM SERIES RACK, PPM-6

FEATURES & BENEFITS

Pivoting Panel Mount enclosures provide fast, easy rear access to patch panels and network equipment. Innovative design has a 90° positive stop to facilitate punching down while fully open. Rugged steel construction; rack screws and hook-and-loop fasteners are included.

- Unique design allows punching down while fully open
- Abundant internal tie points for cable management
- Standard 10-32 threaded rackrail
- Includes hook and loop cable fasteners
- Includes rack screws
- Optional security covers and doors available
